

David CROPS

Born in 1982, David Crops is from an early age in the conservatory of music. He studied piano, cello and singing for 4 years. At 16, he discovered Spain and spirit club, work there regularly for 3 years.

Under the name of Dj Spyx, it will happen behind the decks at Ku San Sebastian or the Power or Jenny Pago.

Back in France, he joined the production company NUSHOCK and works at the side of Roby to create a nucleus of production and creation single document.

He meets Julien Creance which will work on projects during the year. the following year he signed his first title "Can you kiss me" on the label Julian "Fanatik Records." His path crosses the phenomenon Skalp, his musical vision will evolve, his state of mind ... A year later, the encounter with Melinda Williams will make a difference. His voice of emergency will bring a composer his second title "Living". Far from its electronica in fashion, he opts for a security Funky and Groovy. The title will remain 8 weeks in the rankings djs of the hexagon and will be playlisted by many DJs and radio around the world ...

.../...

Parallel he signed a remix of the title Hotshot (produced by the pool NUSHOCK Music) on the label "Antoine Clamaran" also very remarkable and playlists. David Crops also collaborates with Lady Stazia its plans and is a studio behind a remix for the title "My Heart is Drum" on the label signed Pool E Music.

2007 is definitely a year since its planned work will start crossing borders. He regularly remixes for the dj Laurent Schark based in London or for Felly in New York. He meets and works in the same year with "Cyborgs" on their single draft. Residents on several important webradios France (Hotmix, Pure), its sets are heard by thousands of people every week. From the deep progressive House with a fine touch of electronica, be Funky Do not worry, this might best summarize his musical state of mind. Resident dj since 2006 at the famous "Square Coast" Biarritz, he crosses many pioneers of the international scene, Rork, Fudge, Yass ... so many meetings that do confirm that the choice of style in which David has decided to evolve ...

Its productions are Today's playlisted and noticed by the djs reference of this music and it is found regularly in the rankings of different platforms (Traxsource, Beatport, Juno download ...)
